## Navigate the details

Stay on course for a great time by logging these important details:

- Cruises are subject to availability.
- Your cost for the cabin is already covered, but you'll be responsible for paying gratuities and excursions aboard the ship. If you choose to upgrade cabin or itinerary, you're responsible for any additional taxes/fees.
- Reservations are subject to the Norwegian Cruise Line® cancellation policy. If you cancel your included cruise within the timeframe during which Norwegian would provide a partial refund, you'll forfeit your included cruise.
- Shorter-length cruises are also available through Norwegian Cruise Line. Feel free to use your included cruise for a shorter itinerary. If you choose a shorter cruise, you will still be using your entire included cruise benefit. For instance, you will not be able to take two 3-day cruises in lieu of your 7-day cruise benefit.

# A Few Things You Should Know

## Expecting the unexpected

Major bummers happen. If something comes up and you have to cancel or change your vacation, that's OK. You've got time on your side:

Canceling at least 7 days prior to check-in? You'll get EVERYTHING back	7	Canceling less than 7 days prior to check-in? You'll get all but your first night & any applicable taxes back
--	---	--

Be sure to contact us if you have to cancel. Keep in mind, if you don't arrive at the resort and didn't call or cancel online, you'll forfeit everything. So don't forget!

## Know before you go

**Keep the good times rolling! Check out these important details before you check in:**

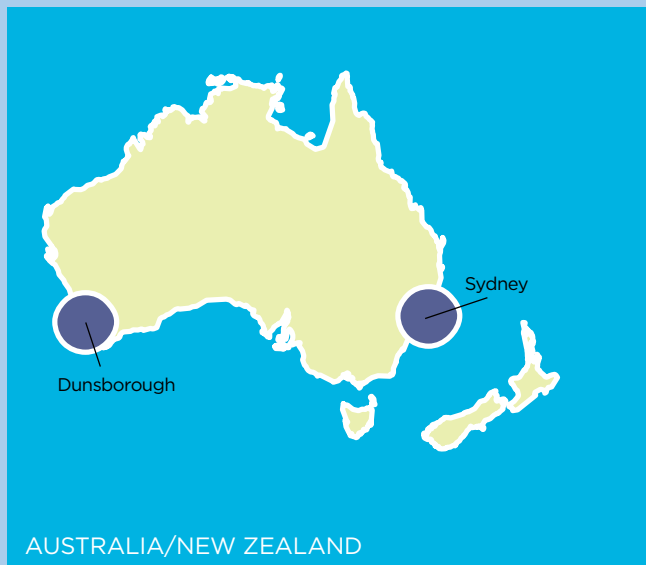

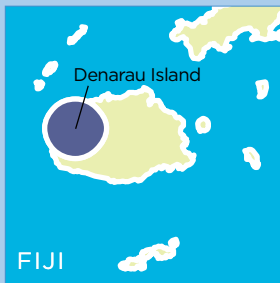

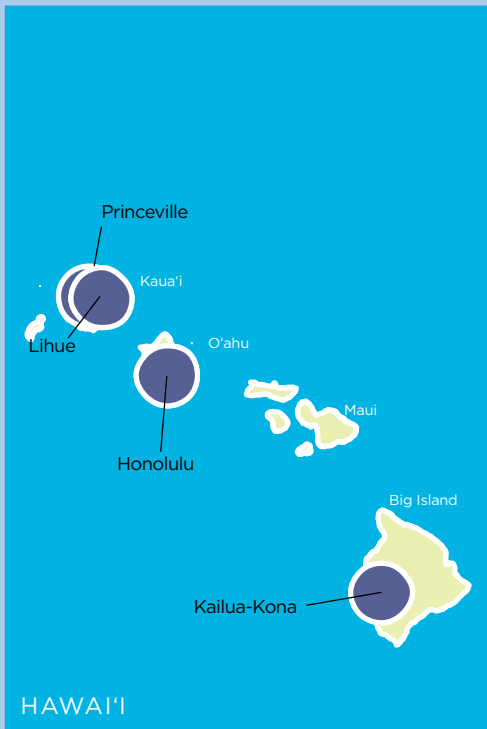

- Check-in is at 4 p.m. and checkout is at 10 a.m.
- Resorts require a credit or debit card to cover incidentals, resort fees and applicable taxes.
- A Vacationality® member must travel on all reservations.
- We expect you look younger than you are. You'll need to show a photo ID so we can see that you're at least 25 years old to check in.
- Smokers, please know our resorts are non-smoking. Many have designated outdoor smoking areas.
- We love your four-legged furry friends, just not at our resorts. Guest services at the resort can provide you with local boarding information. We do welcome service animals.

## Important reminders about your Vacationality membership

Here are a few more things you'll want to remember:

- All membership years and associated benefits start on your purchase date. A membership renewal fee of \$199 is due on the first day of each membership year, beginning in Year 2, which allows you to continue enjoying all of your vacation benefits.
- Your membership renewal fee can be paid up to 9 months prior to the due date. Outstanding membership fees will result in the cancellation of any and all reservations you have booked. To continue use of your benefits each year, membership must be renewed within 60 days after your yearly due date.
- Keep in mind that you won't be able to roll over or "save" an unused night to use in a subsequent membership year. Similarly, you won't be able to "borrow" or use anticipated nights from future renewal periods during the current membership year.
- We know you'll love your Vacationality® membership, but please remember it is for your personal use and enjoyment; it's not for any commercial purposes.
- Memberships are not transferable.
